The Local Authority also has a unique role in taking responsibility for;

- Investigating fraud
- Establishing the extent of any fraud
- Correcting accounting records if necessary
- Recommending improvements in internal control
- Advising on action to take to resolve the matter arising

3. The Principal Anti-Fraud Measures

3.1 Oakham C of E Primary School and The Parks School has taken a number of measures that should prevent or detect any attempted or actual fraud. No system of control can prevent all cases, and Oakham C of E Primary School and The Parks School must minimize the risks to which it is exposed. At the highest level Oakham C of E Primary School and The Parks School will:

- Regularly review and improve key internal control systems
- Regularly review measures to minimize the risk of fraud

- Involve staff in such reviews
- Adopt formal procedures to investigate fraud when it is suspected (Whistle Blowing Policy). Where fraud is detected, strengthen controls to prevent reoccurrence
- Provide mechanisms for employees to voice their genuine concerns
- Have no hesitation in referring cases of suspected financial irregularity to the attention of the Police and the Local Authority

4. Reporting a Suspected Fraud

4.1 Response to Alleged Frauds

Oakham C of E Primary School and The Parks School's adherence to the SFVS requires suspected fraud and irregularities to be referred to the Headteacher, unless this individual is involved in the irregularity in which case the Chair of Governors should be informed.

All reported irregularities will be thoroughly investigated, with due regard to the provisions of the Human Rights Act 1998, Data Protection Act 1998, the Regulation of Investigatory Powers Act 2000 and Oakham C of E Primary School and The Parks School's Equal Opportunities Policy.

Steps that would normally be taken are:

- If an employee suspects a fraud has occurred (or is likely to) they should report this to their Line Manager who must inform the Headteacher, unless the suspicion relates to the Line Manager. In this instance to employee should report to the Headteacher or Chair of Governors
- The Headteacher will inform Chair of Governors unless the suspicion relates to the Chair of Governors when the Headteacher will contact the Head of the Local Authority without consultation with the Chair of Governors
- If an employee suspects a fraud has occurred (or is likely to) and believe that their Line Manager, Headteacher and Chair of Governors may be involved, then they can report any concerns direct to the Head of Internal Audit at the Local Authority
- If suspicions stem from an Internal Audit assignment, the Head of Internal Audit will inform the Headteacher or the Chair of Governors
- Members of the public can report any concerns, either to the Headteacher, Chair of Governors, their Councilor, the Director of Resources, Head of Internal Audit, the Council's External Auditor, or via the Complaints Procedure
- The Director of Resources will decide on the level of any investigation. If necessary the Director of Resources will involve the Chief Executive and the Solicitor to the Council. The Internal Audit Service will carry out any investigation, reporting to the Director of Resources
- If investigations indicate a criminal offence may have occurred, the Director of Resources will decide, in consultation with the Chief Executive

and Solicitor to the Council, to handle the matter according to Oakham C of E Primary School and The Parks School's Disciplinary Procedures and involve the Police

- Recommendations to improve controls and prevent any reoccurrence will be made by Internal Audit. The Headteacher and Chair of Governors, in consultation with the Director of Resources, will decide on the implementation of the recommendations

4.2 Reporting Suspicions

4.2.1 General

Employees are vital to the successful implementation of measures against fraud. Oakham C of E Primary School and The Parks School therefore considers that employees have a duty to report any legitimate concerns they may have and must do so as outlined above.

If it is subsequently established that an employee knowingly withholds information of a concern or allegation it may be dealt with as a disciplinary matter in itself.

The Public Interest Disclosure Act 1998 (a copy of which can be found at www.opsi.gov.uk) provides employees with statutory protection when disclosing such information.

Where possible concerns are better raised in writing, setting out the background, giving names, dates and places and reasons for bringing the matter to the attention of Oakham C of E Primary School and The Parks School.

However, if an individual feels unable to put their concern in writing, an arrangement can be made to meet with an appropriate officer to discuss the concerns.

4.2.2 Confidentiality and Safeguards

Oakham C of E Primary School and The Parks School recognizes that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the alleged malpractice. Oakham C of E Primary School and The Parks School will not tolerate harassment or victimization and will do what it lawfully can to protect an individual when a concern is raised in good faith.

This does not mean that if the person raising the concern is already the subject of a disciplinary, redundancy or other procedure, that those procedures will be halted as a result of the concern being reported.

Confidentiality

All concerns will be treated in the strictest confidence. Oakham C of E Primary School and The Parks School will do its best to protect the identity of individuals who raise concerns and do not want their name to be revealed. However, it must be appreciated that during an investigation, a statement may be required as part of the evidence gathering process, particularly if the Police or External Auditors become involved. In order to take effective action, Oakham C of E Primary School and The Parks School will need proper evidence that may be required to stand up to examination in Courts or Tribunals.

This Policy Statement encourages individuals to put a name to allegations whenever possible, as concerns expressed anonymously are much less powerful, but This matter will be considered at the discretion of Oakham C of E Primary School and The Parks School in terms of:

- Seriousness of the issues raised
- The credibility of the concern
- The likelihood of confirming the allegation from attributable sources

Whilst Oakham C of E Primary School and The Parks School will always do its best to protect individuals, it is more difficult to protect an individual from harassment, intimidation or other detrimental conduct where an allegation or disclosure is made anonymously.

Safeguards

There is a need to ensure that the process is not misused. Therefore, any abuse, such as raising malicious allegations may also be dealt with as a disciplinary matter. All such reports must be genuine and honest as, to be otherwise, would go against the principle of integrity.

This should not deter employees from raising legitimate and genuine concerns, (even if subsequently unfounded but made with good intent) as, in doing so they will be supported in every possible way.

All genuine concerns reported will be treated in confidence and fully investigated. If a suspicion is reported and results in a prosecution or disciplinary hearing, an employee's involvement as a witness in this process may be necessary, unless other substantial reliable evidence is available. Employees taking such a route will be notified quickly and any action taken.

Oakham C of E Primary School and The Parks School accepts that the person reporting the suspicion needs to be assured that the matter is being properly addressed. Therefore, where possible, and subject to legal constraints (including Freedom of Information Act and Data Protection Act) feedback regarding the outcome of the investigation will be provided.

Employees must also report other abuses which may be of concern including unethical behaviour, falsification of records, sexual discrimination or harassment, abuse of drugs or alcohol, bullying and non compliance with Health and Safety.
